I have good news.

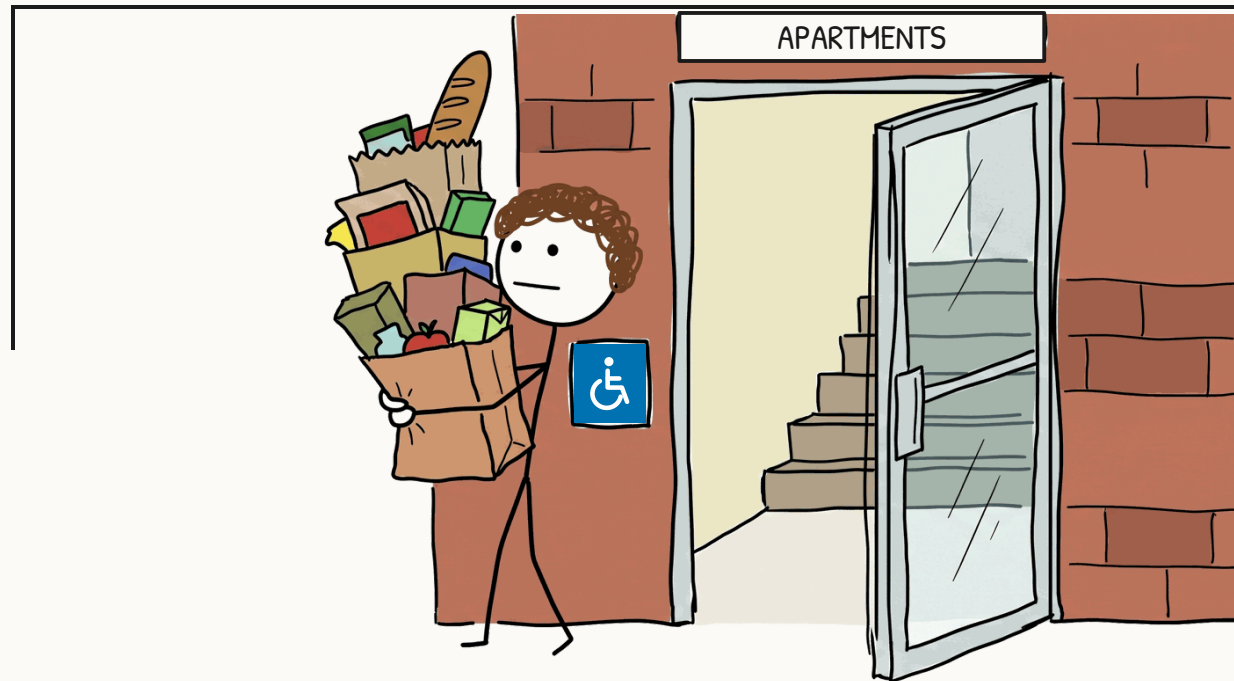

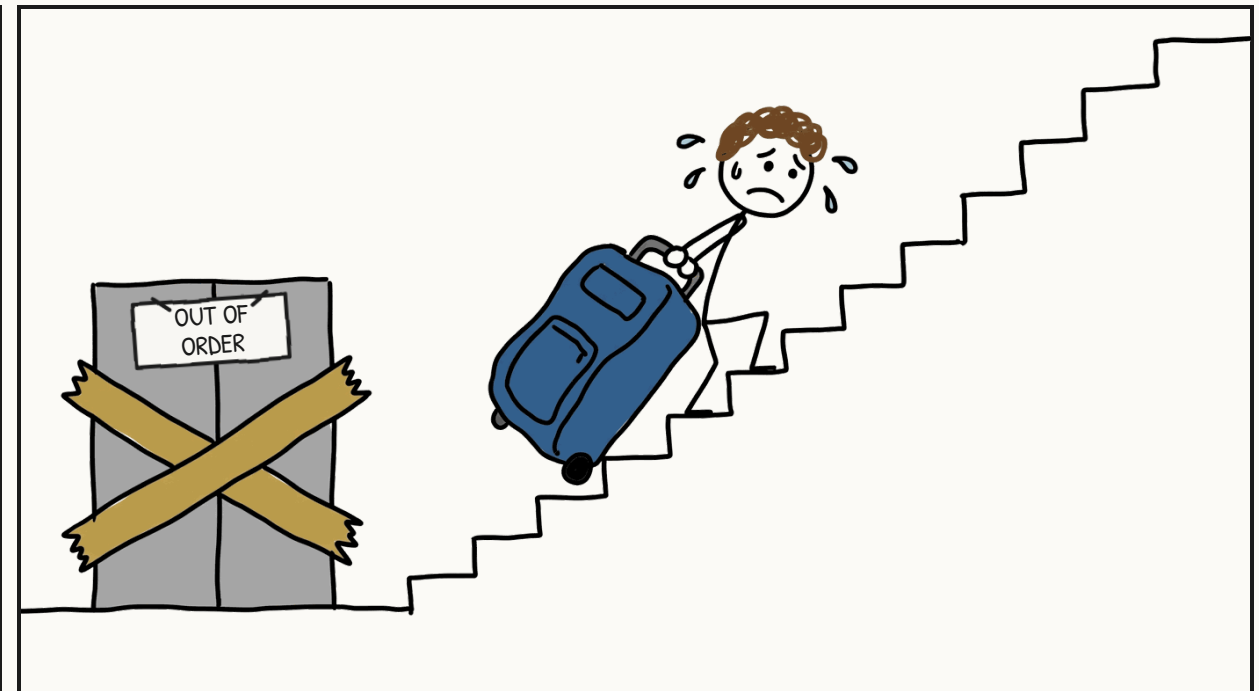

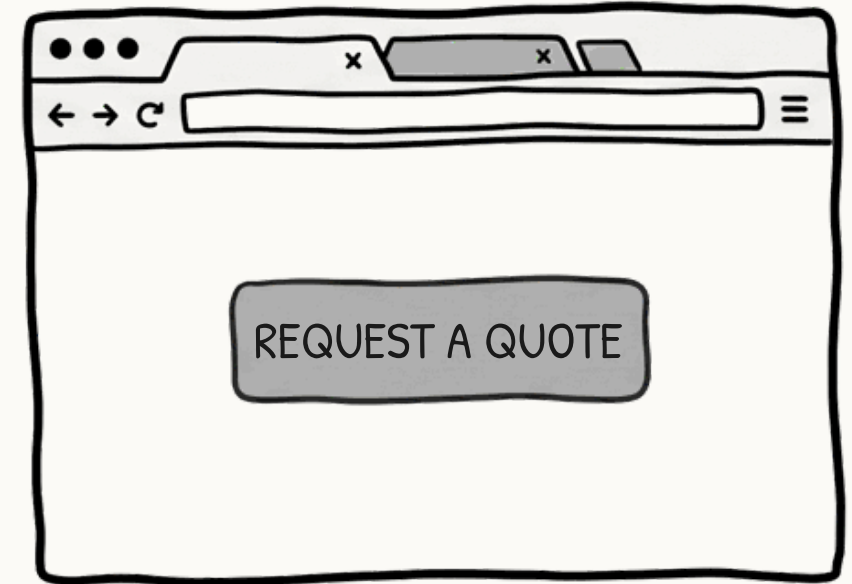

The best time was
the late 1900s.

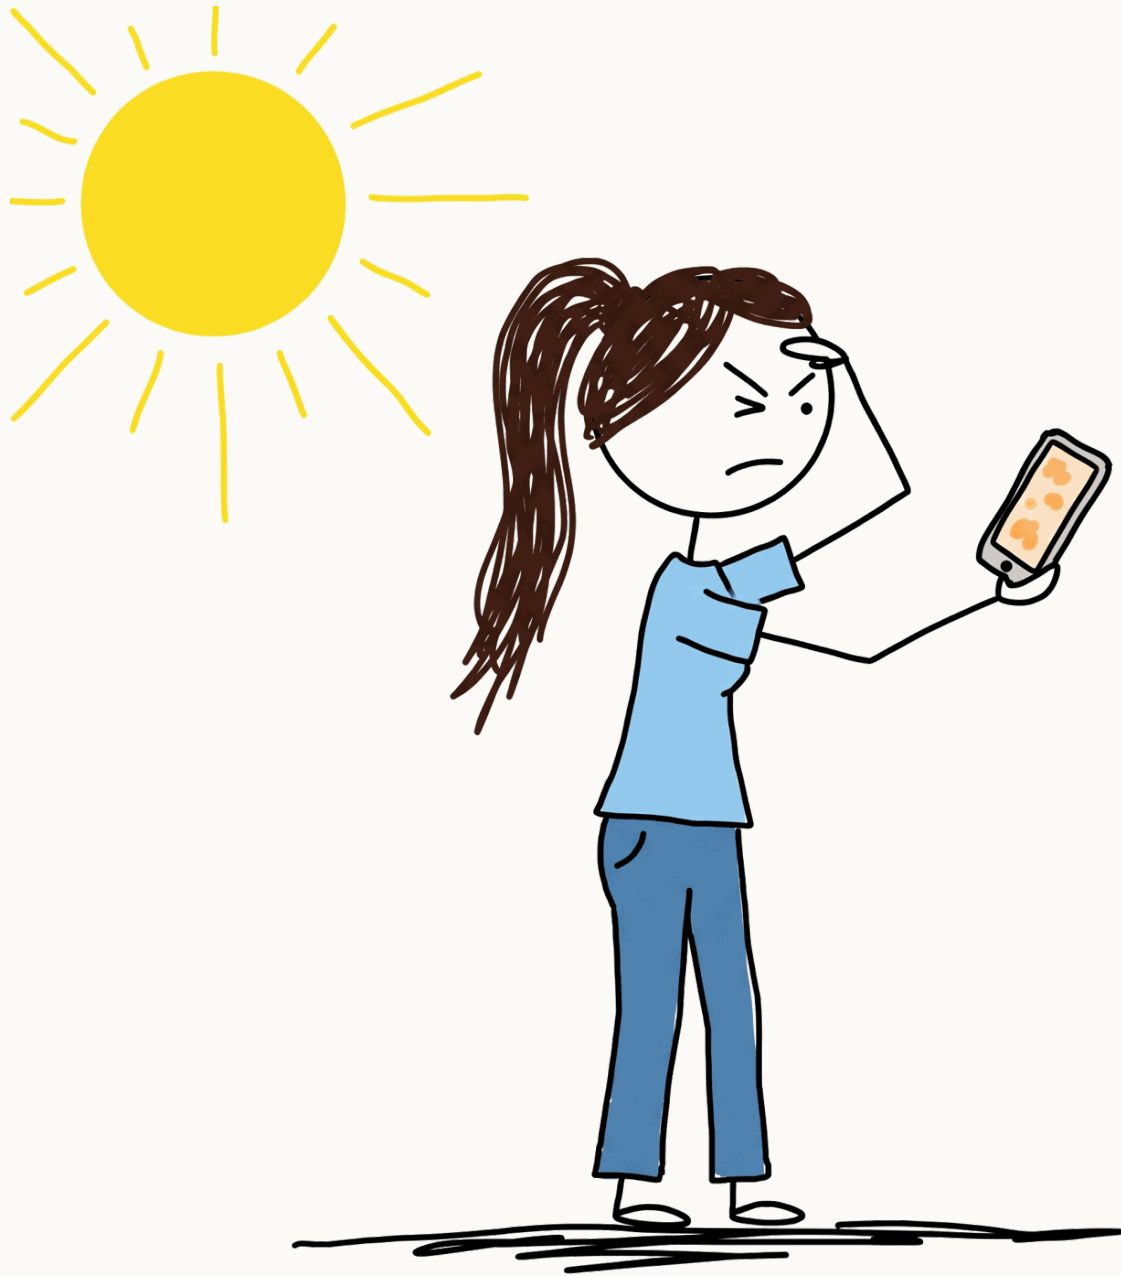

The second best
time is now.

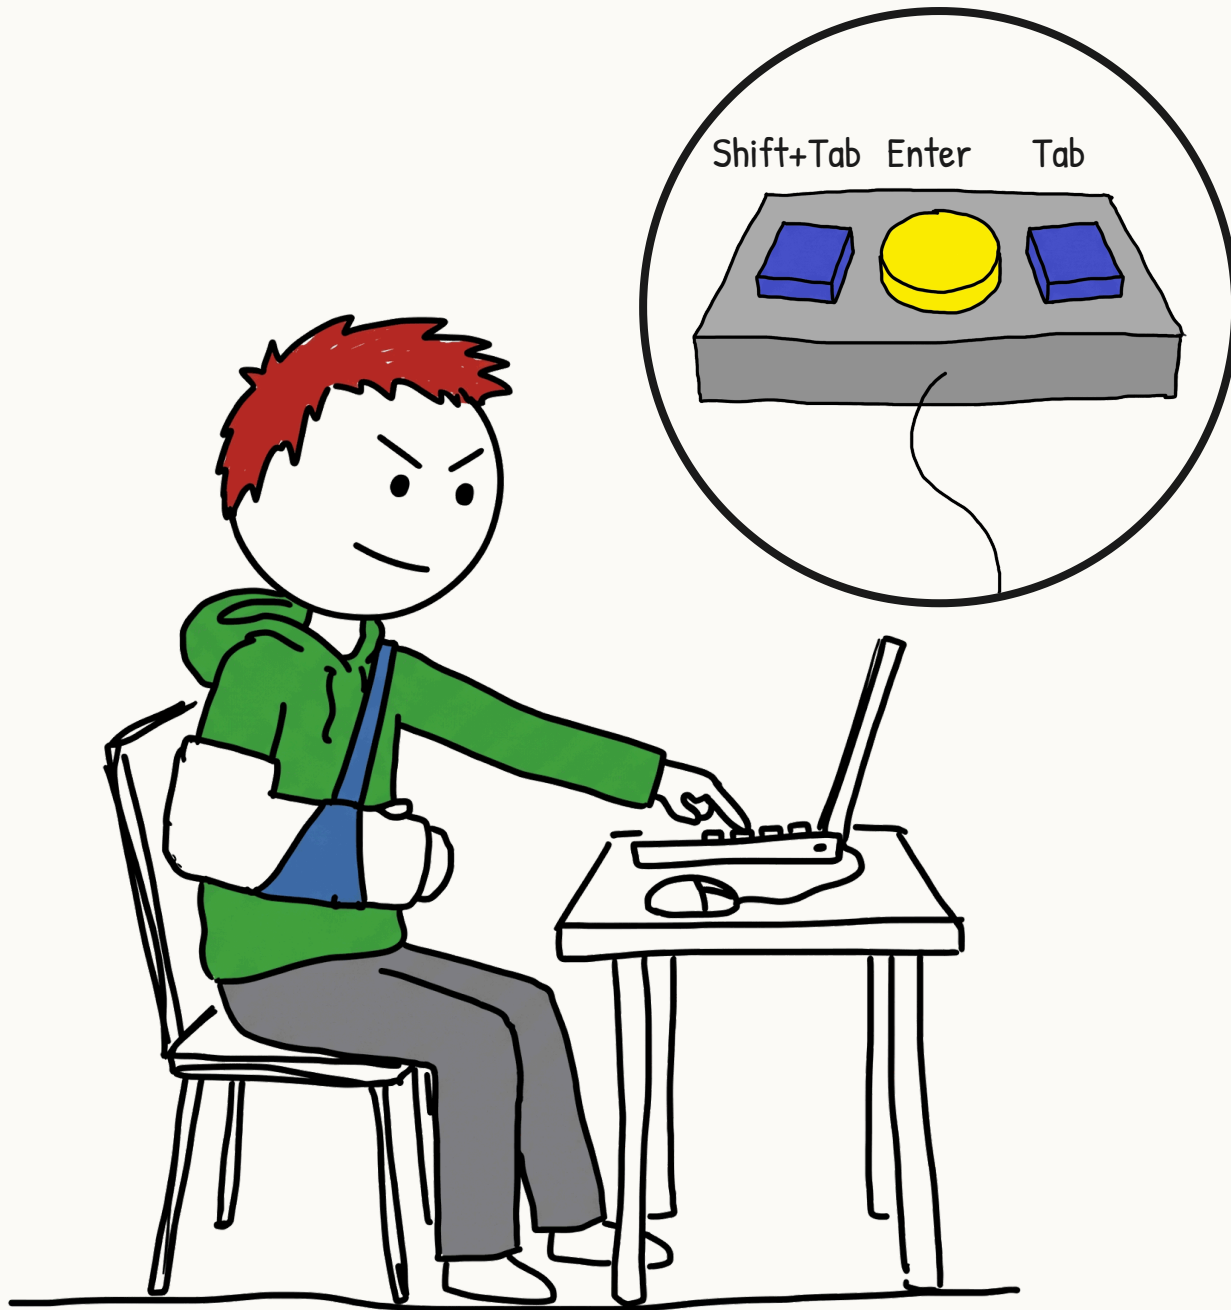

More than 1 in 4 US adults have
some type of disability.

Check 1: axe DevTools

Check 2:
keyboard only

Check 3: a screen reader

BONUSS!!!!1

Check 4:

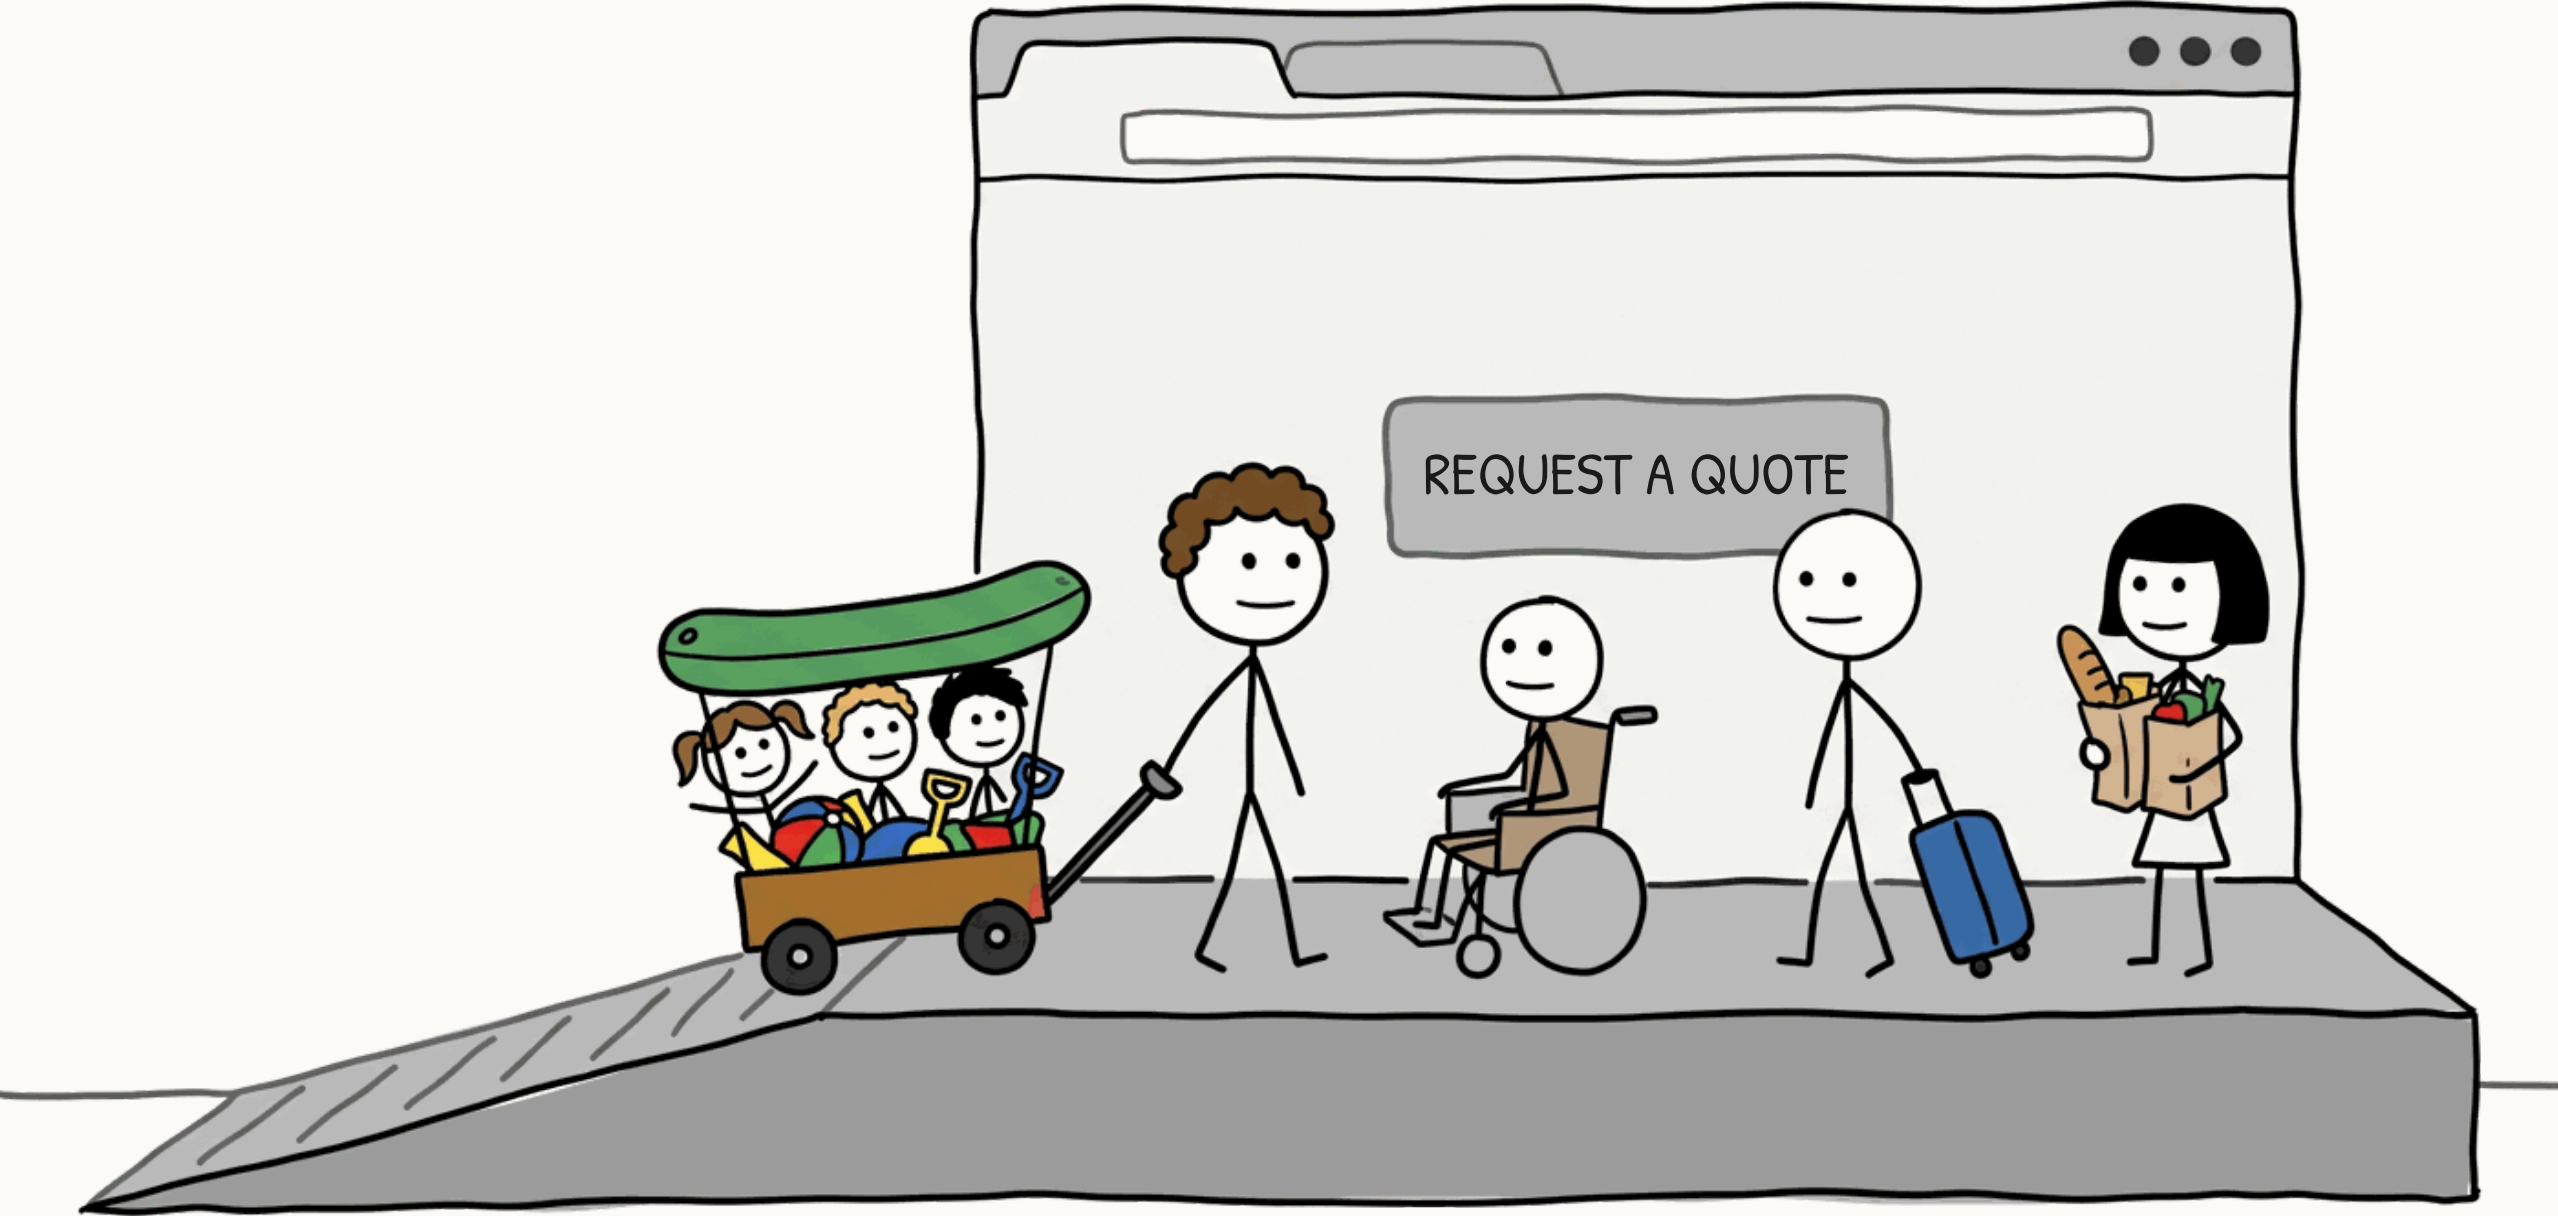

zoom

Kettle & Crumb

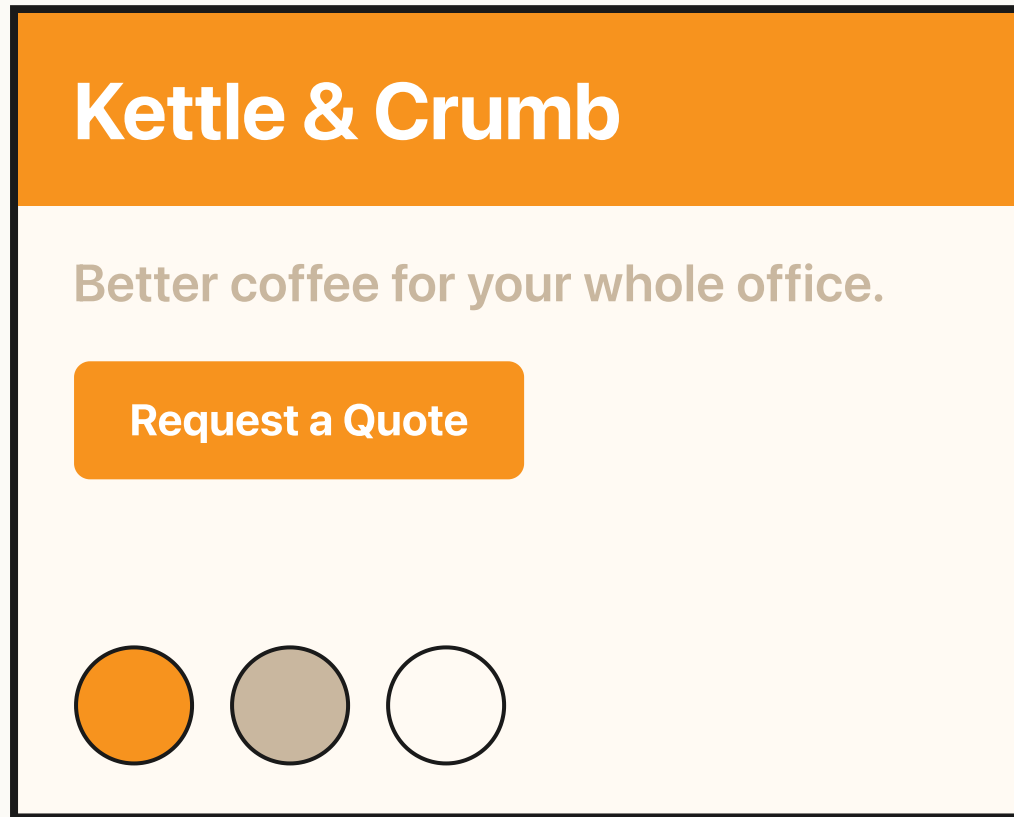

The free scan found about half.

A keyboard and a screen reader found the rest.

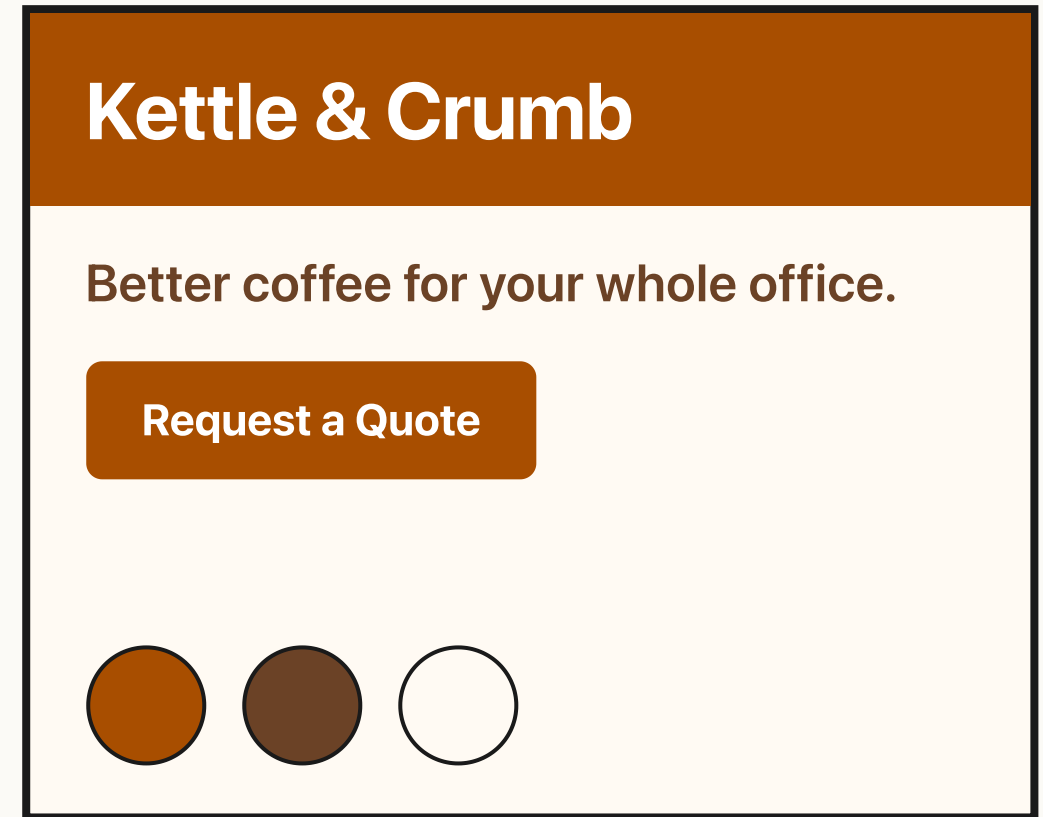

Zoom found a bonus.

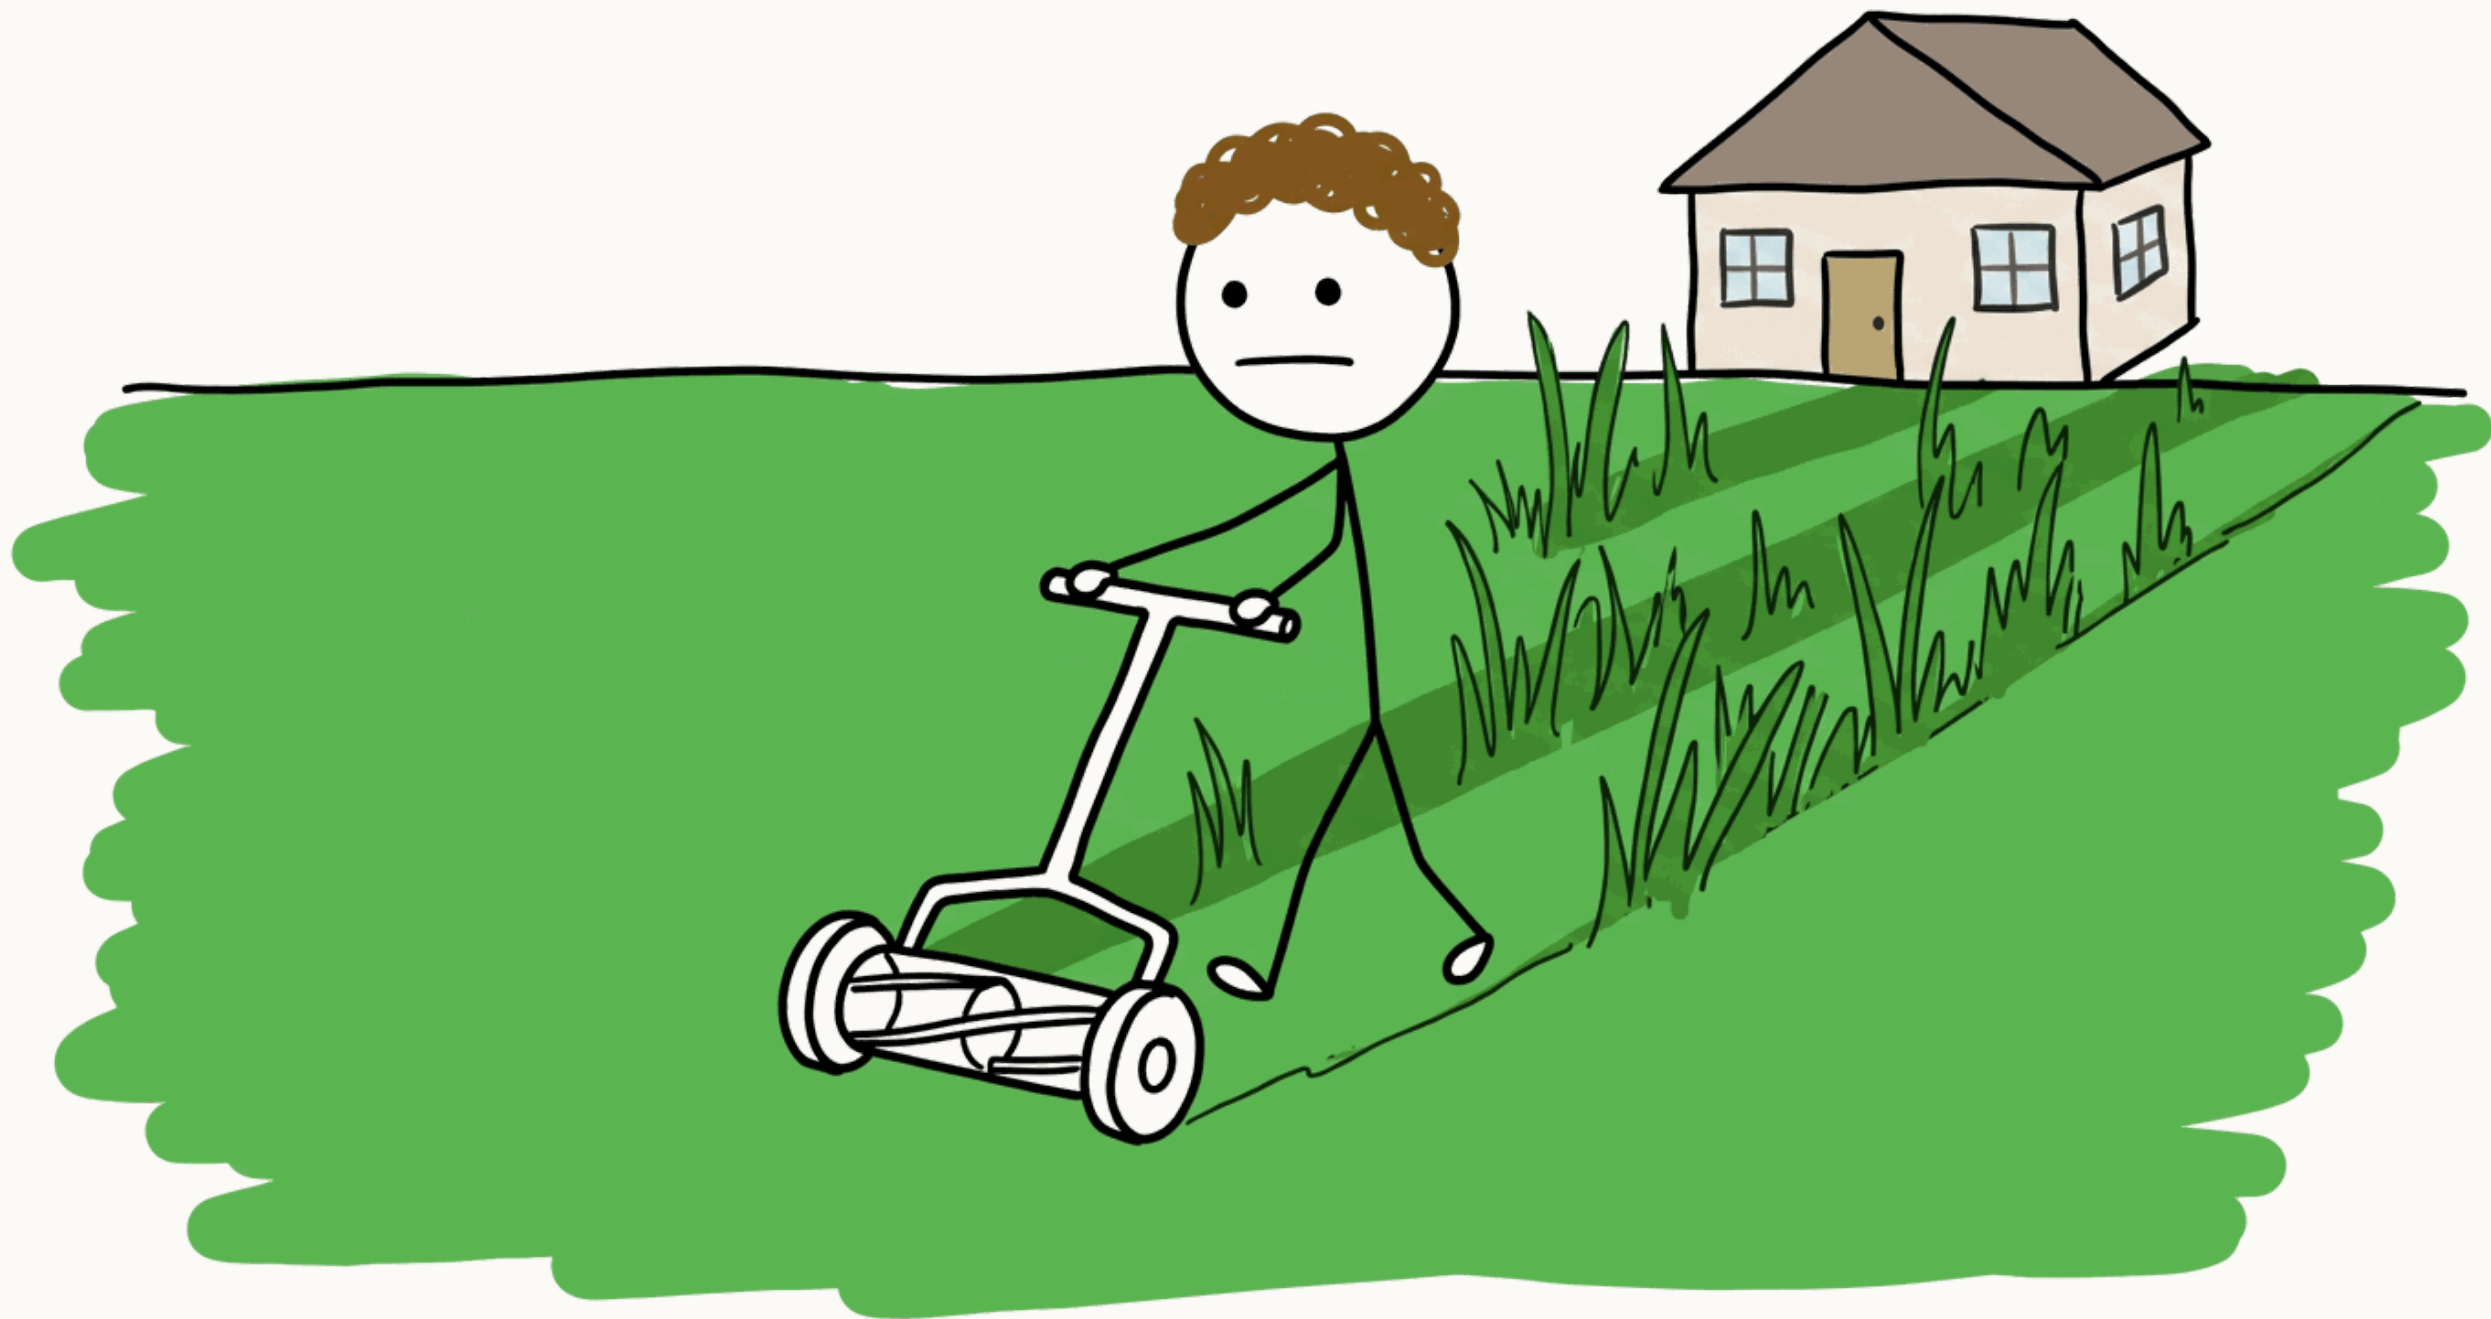

It starts with the brand
